

Arriving to the Hotel from Airport.

Its really easy to arrive to Torremolinos from the airport, you can choose Train Public transport which it takes only just 10 minutes to the Torremolinos station and can be taken in the airport. It cost 2 € per person.

You must leave the train in “Torremolinos Train Stop” station but this is 15 minutes walking to the zone of the hotels

Other option is to take a taxi it's by far more conformable but it can cost you 20-25 € in total which if you can fill the taxi with 4 passengers it can cost 4-5 € per person.

You can find taxies outside in the airport

Finally, you can try a Cabify, which you will have to call them by their app and it can cost you 15-20 € (3-4 € person). They usually pick you up in the door of the airport but in a zone which is before the taxies (because they are not very good friends)
